No. 581.
SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to

the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 741 and 1201, be rescinded.
